# WHO WE ARE

## About Us

FSU Emergency Management facilitates the University's all-hazards emergency framework that drives actions for a variety of emergency conditions. This is accomplished by engaging stakeholders in plan development, training, exercises, outreach, and activation of the emergency operations center. FSU-EM also coordinates the University's emergency alert and notification process and maintains constant situational awareness of conditions that could adversely affect the health, safety, and/or general welfare of the campus population.

# MAKE A PLAN BUILD A KIT BE INFORMED

*Florida State University  
Emergency Management  
2022 Edition*

## MAKE A PLAN

### Save emergency contact information in one place

Have a communications plan with the names, addresses, and phone numbers of the following people:

- » Roommates or other household members
- » Local emergency contact
- » Out-of-town emergency contact
- » Doctor(s) and pharmacy
- » Utility company

Also include any insurance and policy numbers and emergency meetings places. **Share this plan with your emergency contacts!**

Know what your insurance policies cover and take pictures of items around your home, like electronics, furniture, jewelry, etc.

Have a plan for campus closures or evacuations

- » Where will you go?
- » How will you get there?
- » What route will you take?

Don't forget your pets!

- » If you evacuate, are you going somewhere pet-friendly?
- » Do you have a list of their medications and phone number for a veterinarian?

## BUILD A KIT

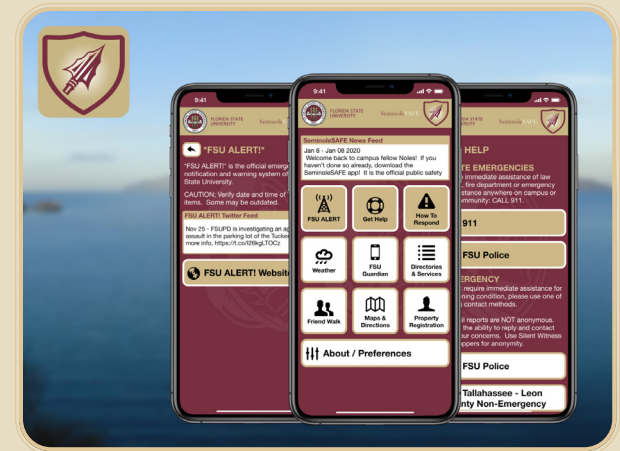

### Have essentials ready to go in case you need to evacuate or shelter-in-place

Get a backpack, suitcase, or other storage bin ready with the following items:

- ☐ Water (1 gallon per person per day for several days + 1/2 gallon per day for each pet)
- ☐ Food (non-perishable items and dry goods for several days)
- ☐ Manual can opener
- ☐ Hand-crank or battery-power weather radio
- ☐ Flashlight
- ☐ Batteries
- ☐ Medications
- ☐ Portable phone chargers
- ☐ Cash
- ☐ Extra clothes
- ☐ Toiletries (soap, toothbrush & toothpaste, feminine hygiene products, etc.)
- ☐ First aid kit
- ☐ Blanket or sleeping bag

Also consider these following items, if needed:

- ☐ Pet supplies (leash, food, medication, toys)
- ☐ Childcare supplies (formula/food, diapers, medication, toys, books)
- ☐ Recovery tools (tarp, rope, trash bags, dust masks, duct tape, etc.)

## BE INFORMED

### Get emergency notifications with FSU Alert

FSU Alert is the official source for FSU emergency alerts and warnings. This system can deliver messages via the following methods within minutes:

- » E-mail
- » SMS Text Messages
- » SeminoleSAFE App
- » Indoor & Outdoor Sirens
- » Desktop Alerts
- » Twitter (@FSUAlert)
- » Facebook (@FSUAlert)
- » Alerts.fsu.edu

Verify your contact information in MyFSU!

1. Log into MyFSU
2. Click on the "MyFSU Identity Management" drop-down on the left
3. Click "My Profile"
4. Click the "Edit" button under your phone contact information
5. Save a phone number using the "FSU ALERT" phone type and mark it as preferred (**Only one FSU ALERT number allowed**)

Download the free SeminoleSAFE app to receive emergency notifications immediately and review a host of other safety information!
